

POKARNA LIMITED

MEDIA RELEASE

28th January, 2006

Pokarna began over a decade ago with a single-minded objective to produce the finest granite in the world and achieve a pre-eminent position in the global arena. It has done this successfully and consistently year after year, expanding sales and winning the most prestigious awards. Today, Pokarna Limited is a well-known and leading name in the export of processed granite slabs and tiles from the Country.

'Reach for the skies with feet firmly on the earth', has been the cornerstone of Pokarna Limited's corporate philosophy. It is reflected in its continuous search for new quarries and new raw materials, its judicious and timely investments in the latest equipment and facilities, its belief in training and in employee welfare.

By constantly upgrading its equipment both at its quarries and in its manufacturing complex, Pokarna is able to optimize its raw material utilization, ensuring the highest quality with minimal wastage. By continuously diversifying its raw material resources, it is able to maintain supplies of its premium varieties and to introduce exotic new varieties.

From being India's largest exporter of the legendary Black Galaxy, Pokarna has now introduced the world Pokarna Green and Acacia to name a few.

Pokarna Limited has now diversified into apparel manufacturing with a gleaming new factory at the Apparels Export Park near Hyderabad. Besides launching 'STANZA®', a powerful new premium brand in India, Pokarna's apparels division is in the process of making major forays overseas as well.
